- Problem Solving
- Adaptability

WORK EXPERIENCE

- **TRB EXPRESS INC.** Sept 01, 2022 – Nov 08, 2023
I.T Supervisor Jr. / Web Developer
 - Developed and optimized the core logistics tracking system to manage high-volume daily package data with strict precision while training branch personnel on operational procedures (SOPs) to ensure workflow efficiency.
- **Provincial Assessor's Office** March 01, 2024 – Jan 05, 2026
Field Assessment Aide II
 - Executed the physical repacking and manual distribution of relief goods. Coordinated directly with local leaders to manage logistics and maintained precise inventory tracking data for local farmers and youth programs.
- **Municipality of Santa Rosa** Jan 05, 2026 - March 02, 2026
Web Developer / IT Support
 - Deployed a central tracking system for 15 different departments and created special digital ID management tools to accurately track data for Seniors, Solo Parents, and PWD residents.
- **AAL Milktea Supplies** March 14, 2026 – Present
Web Developer / IT Support
 - Built a central system to manage stock levels, track product shipments, and handle purchasing for milk tea supplies, ensuring the warehouse never ran out of materials.
